Terms and Conditions

- By prior arrangement and at our discretion substitution of animals that are included in the hunting package may be done and additional charges might apply.
- Wounded game, which is not recovered, is considered as hunted and must be paid in full according to the law. With the approval of Mogwadiri Hunting Safaris, it may be possible to hunt a second specimen of the same species which would be subject to payment of the regular trophy fee.
- By prior arrangement and at our discretion, hunting days might be added to the hunting package at our regular daily rate.
- By prior arrangement and at our discretion, additional animals not included in the original hunting package might be added, subject to payment of our regular trophy fee.
- A deposit of 50% of the total amount on accommodation is payable upon confirming a booking. If a booking is cancelled afterwards only 50% of such amount will be refundable and if a booking is cancelled within 3 months before the hunt the full amount of 50% will be forfeited.
- The balance is payable upon completion of the hunt.
- No refunds for late arrivals or early departures.
